Exploring Graduate School

CAREER SERVICES
FLORIDA POLYTECHNIC UNIVERSITY

What are your research interests? Use this space to brainstorm ideas if you don't have an area decided.

University	Program	Why are you interested in this university/program?

Target Universities & Programs	What are their recruitment timelines? Do they require anything special in their application process (i.e. CV, GRE or other entrance exams, interviews)

Who will I ask to write my letters of recommendation? (Most applications require three)
1.
2.
3.

Application Materials Assessment (Please select one school to fill out the following fields. You will want to gather this information for all the schools you are interested in.)	
Have you updated your CV?	
Current GPA & Target GPA	
What are the required application materials?	
Entrance Exams Needed & Target Score(s)	
How many recommendation letters do I need?	

Do you need to write a Statement of Purpose?	
What skills do I need?	
How can I obtain those skills?	

Job Search Action Plan Schedule:	
How many graduate schools will I apply to?	
What is my weekly goal for applications? How will I schedule my time? (ex: The deadline is 12/1, I plan to submit my materials during Thanksgiving Break. My documents (resume, statement of purpose, etc) will be finished by Oct 31. I will ask my references to meet with me in September. In August, I will determine who I will ask for my references)	
What will I work on each week to complete my application?
